

WiseWrite Unit 3: LOGICAL BEHAVIOR

Each character must act in a way that is what you would expect him/her/it to and is logical based on what we know about the character. For example, a pig would only fly if it had wings or was magical, and a bully would not turn nice unless something caused him/her/it to change.

Which of the following is NOT a good example of logical behavior. Circle one.

- a) Sad Sally the Salamander always wears black.
- b) Mom tells Billy to clean his room.
- c) Terence the Hungry Troll says "No" to a cookie.
- d) Clara the comic computer searches the internet for jokes.

Revise the following to correct logical behavior.

a) TEACHER

You don't have your homework again Lisa? That's OK. Do it whenever.

b) FUNNY BUNNY

Squirrel, Possum, I'm so sad. I have been laughing all morning.

c) (THOMAS and KATI build a fort out of meatballs and threw lasagna at the other kids.)

Fill in the blank using logical behavior.

a) (NANCY THE NERVOUS SQUIRREL saw LARRY LAWNMOWER stuck in the mud and _____
_____)

b) CANDY KING

Broccoli!!! You want me to eat broccoli?!?! Bring me _____
_____.

c) BOBBY THE BEAVER

The treasure is behind that door. I think we should _____
_____.
